## Board of Trade Discusses Water Supply Problem

TOMMY IRWIN

Congratulations are extended to Tommy Irwin, a Grade six student in the Brant school, on winning first prize in the Alberta Safety Council Essay Contest for Grades five and six. Tommy is a son of Mr. and Mrs. Dave Irwin.

First prize is \$50.00 and an expense-paid trip to Edmonton for Tommy and his teacher, Mrs. Bea Fletcher. They were guests at a luncheon with Lieutenant-Governor Percy Page, on Monday, June 5.

Previous County winners in this contest from the Brant school were David Dawson and Francis Fujiwara.

### SO TRUE

Taxes never die — they just sick and grow, and all the old ones remain with us.

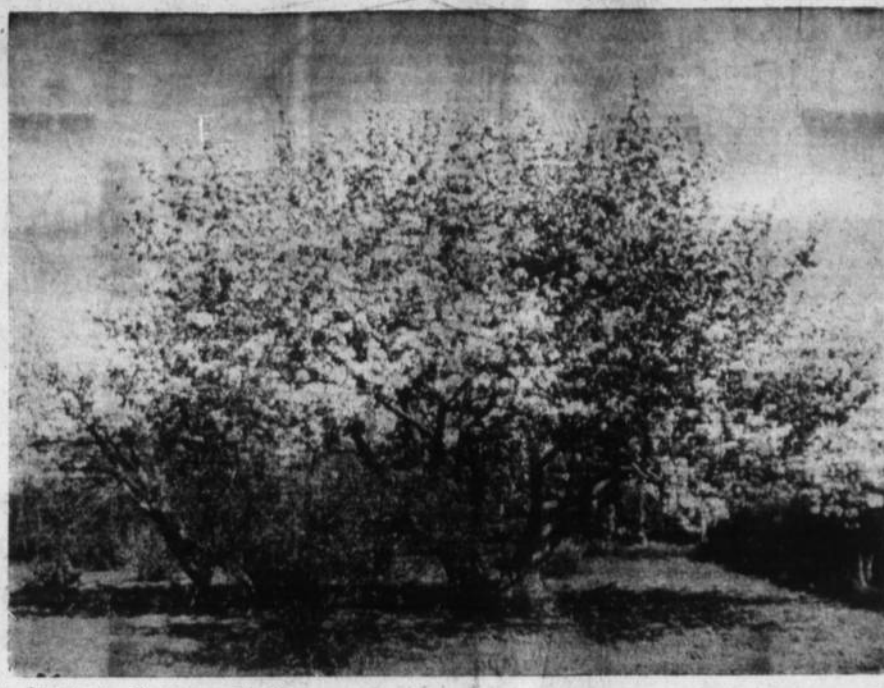

Vulcan's water supply, or lack of, as residents will see in a notice in this issue, was discussed again at the monthly Board of Trade luncheon meeting Thursday, June 1. Attending were Mayor Lundy Findlay and Councillor Stu Joiner who gave a run-down of the situation and the town's plans to try to alleviate it.

Beyond present or likely future financial possibilities of the town is the Lake McGregor source, as is the idea of running water from the Little Bow, about 12 miles from town.

The help of Rev. Peter Dawson, MLA has been asked with regard to possibilities of the more feasible water source, the airport wells. An estimate on cost of this is \$160,000 to pipe water to town and eliminate sulphur and other objectionable elements from it. According to research engineers, the water can be brought to proper standards by using equipment included in this figure and it is the hope of council that such a project can be started this fall under the winter works program.

The airport supply plus the water from the town's good producing wells would give about 175 gallons per minute capacity which will serve a population up to 3,500. The airport flow from the one well tested is 125 gallons per minute and five of the town wells now in use could be used as an auxiliary water source to supply about 50 gallons per minute. The sixth town well, a good producer at 25 gallons per minute, is the one that produces water loaded with Glauber Salts and would be taken out of production once the hookup is made to the former airport supply.

On the matter of paving of Highway 23, Bill Richardson inter-

What's the Okanagan got that we couldn't have — with more water! The above apple tree is located on the well kept grounds of the Howard Burrell farm a few miles north-east of Vulcan. It is about 20 feet across and Howard says they supply themselves and a fair sized list of friends with delicious apples each fall. In a recent peak production year the Burrells gave away around 400 pounds of this harvest. They are currently scratching for water for the tree and for a lawn that is beginning to look desperate.

## Closing Exercises Held At Vulcan High School

March from the auditorium.

The Vulcan High School students held their annual closing banquet, commencement exercises and dance, Friday, May 26. The Grade 12 students, their parents, teachers and guests were entertained at a banquet at the Vulcan Cafe. The Commencement Exercises followed in the Vulcan High School auditorium.

Students participating in the program were Carolyn and Donna Haga, Myrna Jamison, Anne Jamison, Valerie Richardson, Margie Giles, Margaret Anne Jamison and Ronald Hughes. Kathleen Knive was valedictorian.

Eighty-two Grade 12 students, who were presented with corsages and boutonnieres, took part in the program. H. H. Mumby, principal; Mrs. M. L. Todd and F. G. Cartwright each gave a speech which acknowledged and inspired all the Grade 12 students.

Mr. Meyers introduced guest speaker, D. H. Mackay of Calgary who used as his theme, "Stairway to the Stars." His talk was enjoyed very much by everyone; especially the students. The exercises ended with the school song, "Hail Alma Mater," sung by the Grade 12 students and a Grand

viewed Mr. McManus, assistant to the Honorable Gordon Taylor, Minister of Highways, at Edmonton recently with reference to the Board of Trade's view that paving should start from the east end rather than from the west. Despite the fact that the east had been prepared for paving one year earlier than the other, Mr. McManus said there would be less damage to the west end if gravel trucks went over the paved section at that end than if it were gravelled and that the base course as presently laid will stand up for five years. Also there are twice the number of constituents served from the High River end making it the logical point to start, in the government's view.

Another item dealt with was the highway entrance to town. Air photos of the sharp turn and narrow approach of the access road were shown and assurance was given that the matter will be taken up with the engineers who will send a surveyor down to check the road personally.

## Edythe Gottenberg New President Lionette Club

The new slate of officers for the Vulcan Lionette Club was elected at their regular meeting held in May.

Mrs. Edythe Gottenberg is the new president. Other officers are: 1st vice-president, Ruth Christensen; 2nd vice-president, Dorothy Myers; 3rd vice-president, Ruth Richardson; secretary-treasurer, Laura Houlton; directors for two years, Lillian Deal and Betty Roebuck; directors with one year to run, Helen McKay and Ivy Fox; Lion tamer, Ina Ohler; assistant, Eleanor Bucholtz; talltwer, Jerry Snow; assistant, Lil Klippert.

In further business, an afternoon of golfing was planned for the June meeting and a trip to Drift Willow Inn was discussed for the July meeting.

It was pointed out that the Nickerson Scout Jamboree fund was short of its objective and although it is not the policy of the club to donate money, it was hoped that the individuals would answer the appeal, now that it had been brought to their attention.

Mrs. Cecil Emelson, who is leaving Vulcan, was presented with a small gift. Mrs. Jean Koziol then entertained the members with two very interesting films.

## Highlanders At Calgary Parade

Thirty-five men and two officers of "A" Company, Calgary Highlanders, attended the annual Area Inspection at the Jubilee Auditorium grounds, Calgary, on Sunday.

Almost one thousand militiamen from the Calgary area attended the parade, when inspecting officer was Brigadier J. S. Ross of Edmonton, with Brigadier H. T. R. Gregg as parade commander.

The Vulcan men travelled by chartered bus.

## Steven Fluter Wins First Men's Golf Tourney At Milo

The first men's club tournament at the Lake McGregor Golf Course was held last Sunday and was won by Steven Fluter. There were 30 entrants.

First Flight—1, Steven Fluter, Milo; 2, Frank Stokes, Armada; 3, George Long, Queenstown.

Second Flight—1, (tied), Colin Campbell, Milo and Ian Thomson, Milo; 2, Beuford Culp, Arrowwood; 3, Llewellyn Hughes, Milo.

Third Flight—1, Joe Wills, Milo; 2, Bob Monner, Milo; 3, W. Bittorf and Ross Bertrand, Milo (tied).

Fourth Flight—1, Floyd Armstrong, Milo; 2, Brian Bittorf, Milo; 3, Raymond Clemmons, Milo.

With 29 lady members, the club is planning a ladies' day on Sunday, June 18.

## Hot Weather Contributing Factor

## Grasshopper Damage Is Heaviest In Years

Heavier-than-anticipated crop damage by grasshopper is being reported from many sections of the county and a heavy demand for grasshopper poison has developed as a result.

According to District Agriculturist Clarence Roth, the Lomond-Travers area was the first to be hit, with moderate damage. From Vulcan east to Lake McGregor, severe damage is reported, with the Queenstown, Milo and east of Champion areas also being hit hard. The Carmangay area is reported to be the most severely hit in the county, with some re-seeding being necessary. Reports of damage in the northern part of the county were starting to reach the D.A.'s office this week.

The unseasonably hot, dry weather is a contributing factor to the heavy outbreak of grasshoppers, with infestation being much more severe than was predicted. To date, from the County office alone, almost 2,000 gallons of poison has been distributed, as compared to a total of only 700 gallons last year. In addition, pri-

## Unauthorized Swim Ends In Tragedy, Young Man Drowns

Vulcan's second drowning in the local swimming pool since it was opened in 1946 occurred early Friday morning, June 2. Richard Hendrikus Van Puurveen, a Dutch immigrant residing at Iron Springs, Alta., lost his life while swimming in company with three other persons at approximately 1:00 a.m., several hours after the pool had been closed for the night. Ages of the group ranged from 20 to 26 years.

The group, with bathing suits on under street clothes, went over the fence surrounding the pool. A short time later, three of them left the pool to dress while Van Puurveen remained in the water. At about 1:30, after they had finished dressing the group noticed his absence and searched the water finding a dark outline in about the eight foot level. One of the party summoned Dr. A. D. Tompkins while another, believed not to be a strong swimmer, tried to drag the victim from the water with a rescue pole.

In turn Dr. Tompkins, called Lundy Findlay, Dave Mitchell and sent for the ambulance. Artificial respiration was applied for two hours but the man was pronounced dead at 3:30 a.m. and the body taken to Vulcan Funeral Home.

Van Puurveen had been in Canada one and one-half years and was working for Farm Electric Co. in this area at the time of the drowning. He is survived by a brother, Maynard of Iron Springs

and his parents living in Holland.

At a two hour and fifteen minute long inquest Tuesday night witnessed by a full courtroom, presided over by Corner Dr. Tompkins, a verdict of accidental death from asphyxiation due to drowning was returned. Making up the jury were Elwood Myers, jury foreman, Ben Dann, Richard Hammer, Howie Klippert, Bill Richardson and Reinhold Lundgren.

The three other members of the party will appear in court later on a charge of disorderly conduct.

## Lack of Information Delays Setting of Tax Rate

The delay in obtaining information respecting the provincial government school foundation grant formula has resulted in considerable hold-up in getting out the 1961 tax notices in the County of Vulcan, inasmuch as the County Council has been unable to set the 1961 tax rates until this information is received.

It is anticipated, however, that the tax rate will be set by the middle of June and tax notices will be mailed late in the month of July. Tax-payers are reminded that a period of 30 days from the date of mailing the notices will be allowed for payment of taxes at a five percent discount.

### 4-H Beef Clubs

## Annual Sale Saturday, June 17

Approximately 108 4-H Beef Club members from Vulcan West-Ensign, Berrywater, Lomond and Arrowwood clubs are busily preparing for the coming finale to their winter feeding program. The members' achievement day will be held at Vulcan Saturday, June 17, commencing at 8:30 a.m.

The clubs will show and sell in the following order: 8:30 a.m., Vulcan West-Ensign; 9:00 a.m., Berrywater; 9:30 a.m., Lomond; 10:00 a.m., Arrowwood; 10:30 a.m., Championship classes; 11:00 a.m. to 1:00 p.m. — Group of six, Showmanship, PeeWee. (Classes from each club will be shown);

1:30 p.m., presentation of awards; 1:45 p.m., sale of calves.

The show and sale is an interesting spectacle for town and country people alike. For those who can attend, they will see choice quality beef calves, trained for the final show and competition is keen.

4-H members will also be dressed up in their show togs too, for they are proud of their calf whether he wins first or not. Auctioneer for the day is Danny McDonald of Calgary.

Beef Club work is supervised in this province by the Department of Agriculture. However, the success of 4-H work in the district depends on the support of the community and parents.

If you can find time to attend any or all of the 4-H functions, plan to observe or even buy a choice calf.

## Junior Anglers Compete In Annual Lake Fishing Derby

The second annual Junior Fish Derby, sponsored by the Vulcan and District Fish & Game Association was held last Sunday and a fair number of young fishermen boated in the scorching sun in an attempt to land the big one.

Some boys were up with the sun and they say there were lines in the water at Lake McGregor at 5:00 a.m. but many hopefuls fought 'till near quitting time before fulfilling their ambitions.

Trophy winner for the largest fish caught in the 11 to 15 years age group went this year to Jack Williams of Arrowwood who landed a three pound, eight ounce pike. It took Joe Denbigh though, in the under 10 year group, to strike the biggest fish as his trophy winner was four pounds, two ounces. To complete his day, Joe brought in another pike weighing three pounds, two ounces to take second prize of \$2.00.

Dennis Perley of Vulcan placed third in this group with a pike weighing two pounds, 14 ounces, good for \$2.00.

The only girl in the 11 to 15 years girls' group, Sheryl Williams of Arrowwood weighed in a two pound five ounce pike which gave her \$3.00.

There were no individual trophies for girls' section but they were eligible for the trophy for biggest fish caught.

Gary Robertson of Queenstown, last year's trophy winner, tied with Michael Denbigh of Vulcan with a three pound pike each to take second money of \$3.00. Third was Gary Fernley of Milo who took \$2.00 with a two pound 15 ounce pike.

Two entries fished in the girls' under 10 section. Judy Umschied of Milo caught a two pound five ounce fish worth \$3.00 and Donna McCord of Queenstown took \$2.00 with an one pound four ounce catch.

Winning fishermen were well spread in home addresses with two from Milo, one from Queenstown, two from Arrowwood and four from Vulcan.

In all, fourteen fish were turned in at the two weigh stations at the lake and more were caught but not recorded.

The present venture of the local Fish & Game is the preparation of a float for the Saturday parade at the Race Meet at Milo, so there will be a short delay in sending out prize money to the fish derby winners.

## Aircraft Visit Vulcan

## 45 Flying Farmer Planes At Airstrip Opening

Probably the largest number of aircraft since the war flew over Vulcan skies last Sunday when the Alberta Flying Farmers came in for a day of pleasure and to help the Vulcan Flying Club officially open their landing strip.

The first plane touched down at 8:15 a.m. and carried Walter Ross, and Mr. and Mrs. Bill Bailey all from Nemiskam district, near the Alberta-Montana border. Bill Bailey is president of the Alberta chapter of the Flying Farmers while his wife is this year's "Fly-Farmer Queen."

Most planes were in by 11:00 a.m. and the receiving ground crew had their hands and eyes full keeping track of ground and air traffic. Occasionally there were eight planes in the air at one time but observance of air regulations and a check with the wind-socket and landing tee resulted in no mishaps and quick movement of planes.

Forty-five aircraft, mostly four and five place jobs, made the party and 175 visitors were signed in, some coming by cars. Breakfast at the golf clubhouse was first on the agenda and this was followed by several overlapping tours or activities. A machinery display arranged by a local implement dealers was set up at the strip, many persons took courtesy cars on a tour of the C. W. Loose farm, while over 40 went nine holes of the golf course. Non-golfers were welcomed at an "Open House" at the Lawrence Mensinger home, while many youngsters who travelled with their parents, smelled out the swimming pool and spent the afternoon there. This proved a special diversion for the youngsters and even swimmers from the cities were surprised at the size and condition of the pool.

A 4:00 p.m. buffet lunch was served at the Vulcan-Lodge Hall by wives of the local Flying Club members and other helpers and by 6:00 o'clock the fly-out began.

Well over a half-million dollars worth of aircraft was at the strip for the day and planes ranged from small two-seater Aeronca Champs to a \$65,000 five-seater twin-engine Piper Apache flown by Peter Walker of Edmonton, an official of the Department of transport.

One aircraft flew in from Sas-

### QUEENSTOWN

Congratulations are extended to Leigh Robertson for winning second place for his overland car at the Chestermere Pioneer Auto Car Club on Sunday, May 27. Ed. Pargee of Calgary was first place winner.

Recent wedding of interest is that of Mr. and Mrs. John Durudo who were united in marriage at Grande Prairie last weekend. Many remember John when he was the telephone trouble man and also the years that he made his home at George McMorris's.

Sympathy is extended to Wilbur Monnor and family in the death of Mrs. Monnor who passed away at her home last weekend.

Mr. and Mrs. M. T. Edwards and Jack motored to Parkland over the weekend to visit their daughter and son-in-law, Mr. and Mrs. Keith Dawson. It was the occasion of Mrs. Dawson's birthday.

Approximately 40 people partook in the United Church Sunday School picnic on Friday evening. The picnic was opened with a semi-circle around the camp fire with A. Elliott, student minister, saying Grace. A weiner roast, races, ball game and other games for the smaller children were held. Classes will continue until the end of June and then will be closed until further notice.

A number of people attended the wedding dance of Mr. and Mrs. Leslie Beckner at Milo on Friday evening.

Mrs. O. Lahd and Billy motored to Red Deer last weekend to attend the wedding of Mrs. Lahd's brother.

Word has been received of the wedding of Mr. and Mrs. Bill Fraser in Nova Scotia, the latter part of May. Mr. Fraser was a student minister in the Milo United Church field and has now been ordained in the ministry and has a church charge in Nova Scotia. Mrs. Fraser prior to her marriage was Miss Hillary Dawson, sister of Mrs. Leigh Robertson. Many of the residents of this district remember Hillary from spending part of a summer here working for Mrs.

Leonard Northcott and assisting her sister with household duties.

### W.I. MEETING

A full slate of members, with one exception, attended the meeting at the home of Mrs. O. Lahd on June 1. Mrs. Leigh Robertson conducted the meeting.

Several reports were read and Mrs. Leo Conklin gave a very good account of the year's social services. The annual picnic was discussed and tabled until the July meeting. It was decided to dispense with the awarding of prizes at the August fair. Ribbons for 1st, 2nd and 3rd will be awarded with no entry fee for exhibits. Donations are being made to the Lutheran, Milo and Vulcan cemeteries to help in up-keep.

Mrs. Leigh Robertson gave a detailed and good report on part of the biennial W.I. Convention in Edmonton. A full report will be given at the next meeting, which will be at the home of Mrs. A. Henry, July 3. A cup and saucer and a coffee spoon with the AWI crest was presented to the branch in honor of Mrs. Robertson's on-act play that placed first in the Tweedsmuir competitions and it was decided that this gift be retained by Mrs. Robertson personally.

### BLACKIE

Maxine Sultor, Judy Sultor, Mary McKee and Frances Humphrey were among the students from Blackie attending the Southern Alberta Rotary Track and Field Meet in Lethbridge and bringing home honors to their school. They won the 440 yard relay and set a new record. Maxine and Mary also won ribbons, Maxine winning a third in running broad jump and Mary a third in racing. Ann Vander Ploeg won a third place ribbon in high jump. Boys winning were Don and Bob Seney, Don winning two thirds in high jump and racing and Bob winning a second in high jump. About 25 of the CGIT and their leaders, Mrs. Les Sultor and Mrs. Ron Bird, spent the weekend camping at the Big Bow.

Mr. and Mrs. Alex Paul travelled to Couer d'Alene on Saturday to attend the Golden Wedding Anniversary of friends.

Mrs. John Montgomery held a piano recital in the United Church on Friday evening with each of her 14 pupils playing two selections on the piano.

Mrs. Rex Peckham and family of Drumheller were visitors for a few days with friends, Mr. and Mrs. George Snider.

Mr. and Mrs. Lee Tucker attended the wedding of her sister in Calgary on Saturday.

Friends of Mrs. Starkey wish her a speedy recovery. She is presently a patient in the hospital in High River.

Mr. and Mrs. C. Thompson of Calgary were guests for a few days with her daughter, Mrs. Maurice Pardee and with her son, Dally Woodridge and families.

Jim Stier motored to Wetaskiwin on Wednesday to pay an official visit to the IOOF Lodge there as Grand Master of the Grand Lodge of Alberta.

Sympathy is extended to Miss Florence Cannon on the death of her mother in Saskatoon. Mrs. Cannon was known quite well here as she spent many visits with her daughter and will be sadly missed by her friends in this district.

Mrs. Joe McCray and son of Edmonton were visitors at the home of her brother-in-law and sister, Mr. and Mrs. Eil Archambault. Mrs. O. Gallaway of Camas, Wash., who was visiting here, returned to Edmonton with her daughter and will later return to Blackie for another visit with her daughter, Mrs. Archambault.

Jacob Hanson is on an extended vacation in Norway, planning to spend about two months there visiting relatives and friends. He travelled by plane.

Mr. and Mrs. Elroy Davies and family of Lethbridge were weekend guests at the home of her parents, Mr. and Mrs. J. D. Eamor.

Mrs. Catherine Crow of Barons was a visitor at the home of her son-in-law and daughter, Mr. and Mrs. Jim Andersen.

Pity the grouch — he's a guy who has sized himself up and got sore about it.

### MOSSLEIGH

The Community Club met on Saturday evening with a fairly good attendance. After a lengthy discussion, a sports day was planned for the last day of school. This will include races for the little ones and a ball tournament, followed by a dance sponsored by another club. A work day was planned for June 19, and dinner will be served in the hall. A good turnout would be appreciated so the shingling job can be completed as soon as possible.

Bingo! The Mossleigh Lions' Club are planning a bingo in the hall on the last Saturday of this month and the proceeds are for community betterment. Watch for further information in this paper.

Congratulations are extended to Marlene Bertschy on being efficiency winner at their achievement day and to Lana Scott for winning the club delegate honors.

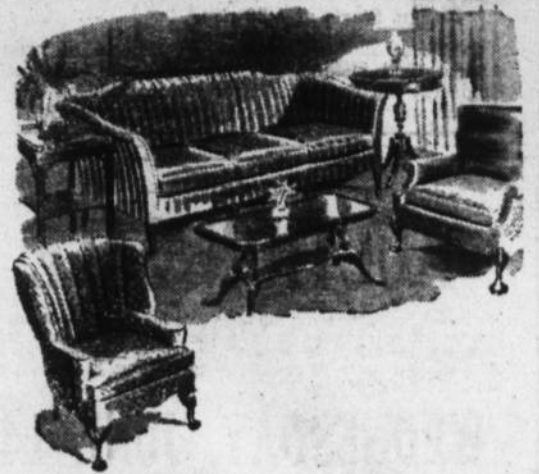

The senior members of the 4-H Grain Club motored to Arrowwood to attend the judging competitions held on Wednesday evening, to pick members to represent this district at the eliminations at Olds.

A double header ball game was played in Mossleigh Sunday afternoon between the Mossleigh seniors and a Calgary team. Moss-

leigh won the first game and Calgary took the second. To date Mossleigh has won four and lost two games.

Coming events of the Community Club:— Shoot, June 10 and 11, ladies to look after the booth. All help appreciated. Bee, to shingle the hall, dinner to be served at noon on June 19. Sports Day at school on June 30 in the afternoon.

### MCGREGOR CUB RALLY

The annual Lake McGregor District Cub rally was held at the Little Bow Park on Sunday, June 4, from 2:00 to 7:00 p.m. Approximately 100 Cubs were in attendance, three leaders and 11 Cubs being from Carmangay.

Starting with the usual Cub ceremonies, the Grand Howl was accepted by A.D.C. Norm Soder, followed by an obstacle course. Then the packs were intermixed and taken through Cub activities.

The individual leaders took the mixed pack off on rambles, games and other activities. Due to the hot weather the Cubs were dismissed early for supper break, assembling again at 6:00 p.m. for evening campfire.

Norm Soder led the campfire activities. Each pack contributed toward the program. Leadership certificates were presented for basic "A" course to Mrs. Irene Durell and Akela Mrs. R. Minty, who also received a certificate for part one "Wood Badge." The boys were judged throughout the day for discipline and pack participation. Norm Soder presented the discipline award to the Carmangay pack which was accepted by senior sixer Rod Minty.

The campfire was closed with Scout verses and the Wolf Cub prayer. There was a good crowd in attendance and the community support was commendable.

## Grasshoppers

(Continued From Front Page)

vate dealers report a heavy demand.

The Advocate asked Mr. Roth to outline control measures that could be used by the farmers and we are indebted to him for the following information.

### GRASSHOPPERS ARE NUMEROUS

The grasshopper situation in the County of Vulcan presents itself as severe in many parts, though if a rain and cloudy weather were to come much of the drain on poison supplies would be cut down or eliminated. On the other hand dry weather could mean an even more severe outbreak in the areas not forecast as being severe.

Control measures might be to leave a strip of your field that you are about to summerfallow, either next to your seeded field or in the centre, and spray this area, killing the hoppers before they move into crop land. Also watch for the movement of hoppers from grassland and headlands into crops. Stubble crops may require complete coverage. This does not mean that every square foot must be sprayed. In other words, if the hoppers aren't too numerous you could get along by poisoning every other spray width.

Remember that chemical control means that you are dealing with a poison, most of which kill by fumes, contact and stomach poisoning. The Department of Agriculture has been supplying Dieldrin to farmers at cost. Therefore when you go into your local chemical agent you may find his price slightly higher. The poisons useable for controlling grasshoppers are Dieldrin, Aldrin, Heptachlor, Chlordane, Toxaphene and Malathion.

Dieldrin which is being sold to farmers by the County has 32 oz. of active ingredient per gallon. While the hoppers are young, 1 oz. of active ingredient per acre will give control. This poison is best used on cropland only. Forage sprayed with Dieldrin cannot be fed to animals for slaughter or to dairy animals until 90 days after spraying. Range cattle being held over can be put on forage sprayed with Dieldrin, 30 days after spraying.

Toxaphene at 1 1/2 lbs. of active ingredient per acre can be used

where beef animals are concerned but not dairy animals. Toxaphene is sufficiently safe that beef animals can be pastured immediately following the spray application. However, they must not be slaughtered within six weeks of the time of application of Toxaphene to the pasture. Toxaphene treated forage cannot be sold or fed to dairy animals and if fed to beef animals, it should not be treated within four weeks of harvest and should not be fed within four weeks of slaughter.

Malathion at 1 lb. of active ingredient per acre will kill young hoppers and both beef and dairy animals can graze on this forage immediately afterward. Dairy animals should be removed while spraying to prevent direct contamination. With Malathion for dairy cows, wait seven days before harvesting the forage or using the milk.

Government regulations prohibit the marketing of milk, meat products, and forage contaminated with the commonly used grasshopper poisons such as Aldrin and Dieldrin. Even very small amounts of these chemicals when eaten by livestock appear in the body fat for many weeks. This means that such materials cannot be used for controlling grasshoppers on any plants that will be fed to livestock in the current year.

Remember to take all the precautions listed on the labels. Some of these are: Wear protective coveralls and gloves. Respirators or dust-proof masks should be worn while handling volatile sprays. Change contaminated clothing and wash before re-use. If pesticides are spilled on the skin, wash immediately and thoroughly with soap and water. While spraying, prolonged exposure should be avoided, sprays and dusts should not be inhaled, smoking (especially hand rolled cigarettes) should be avoided. Take care not to contaminate feed or water for livestock.

The above precautions are not listed to scare people with, but are just good common sense practices to follow when handling these extremely toxic pesticides. Remember the probable lethal dose for a 150 lb. man is between seven drops and 1 oz., of most of the pesticides used to kill grasshoppers.

Aside from the Hush-Puppies shoes supplied by Cliff McAskie, the fortification found in the milk refreshment brought in by Fletcher Dairy and the African style hats furnished by Robinson's

Stores, it was the regular stops for push-ups, sit-ups and toe-touching exercises that kept the marathoners fit for the course. Here Bev Banks is caught in his 48th push-up at the half-way point of

the trek.

The only difference between this long, long trail and the one in the song is that this one doesn't wind, it just goes on and on. Some day when you're driving that 12

mile stretch from the Corner Store in, visualize yourself hoofing it step by step. There's a lot of white line to follow.

At the entrance to town the foursome are met by police escort

and several cars of sentimental backers. The three men gallantly carried Mary Haga across the railway tracks leading into town when she found herself too far gone to make the grade herself.

## There's A Long, Long Trail Not Winding . . . Say The Survivors

A carelessly dropped statement last summer pounced upon by a fast-buck artist has led to an early morning local walk marathon. Monday of last week, followed by a warm-up to the July 1st parade and even some dire threats of future legal action.

At the Lethbridge golf tourney last year Bev Banks suggested he could and would walk twelve miles for ten dollars and fellow golfer Glen Gorbous promptly called his hand with the necessary green stuff.

Bev would set no time or details for the distance trial except that it would be from the Corner Store into town and the essential stipulation was that the distance had to be walked, step by step no matter how long it might take.

In the succeeding months of winter and spring each participant, unknown to the other, organized a circle of confederates to bolster the attack. Bev contracted Ray Wellman as trainer, Carl Nelson as manager and a charming young cheerleader, Mary Haga, came in as mascot.

For support in the Gorbous camp were Boyd McKay and Clay Snow. Snow was either taken from his tractor or bed the morning of the walk, to lend weight to the challengers' cause.

A gruelling winter long training

### Services Held For Mrs. Louise Monner

Louise Margaret Monner, beloved wife of Wilbur Monner of Milo, died suddenly on Sunday, June 4.

Graveside services were conducted by Rev. Arthur Elliott at the Milo Cemetery on Wednesday, June 7.

Vulcan Funeral Home was in charge of arrangements.

### BERRYWATER

Mr. and Mrs. Lee Richardson and family accompanied by Mrs. J. Doyle of Champion were weekend visitors to Alix, Alta.

Warden Budd was a Banff visitor over the weekend.

Mr. and Mrs. Bill Sharp were visitors to Alix last weekend, returning via Bluffton, where they visited with Mrs. Sharp's brother-in-law and sister, Mr. and Mrs. Albert Whatmore.

Mrs. James MacWha of Edmonton visited relatives in the district over the weekend.

Calgary visitors on Wednesday were Mr. and Mrs. John Salken.

Miss Annie Hlooff of Calgary spent the weekend at her home here. Jerry Hoobonoff of Vulcan was also a weekend guest at the Hlooff home.

Chester Wickstrom of Edmonton was a visitor over the weekend at the home of his brother and sister-in-law, Mr. and Mrs. Stan Wickstrom.

Sunday visitors at the Ed Richardson home were Mr. and Mrs. Bob Black of Toronto, Mr. and Mrs. Wilson Oldfield of Vulcan, Mr. and Mrs. Jerry Sparks of Calgary and Lloyd Richardson.

schedule was set up for Bev by the desk crew of Wellman and Nelson. Bev curled four nights a week, swept his own and everyone else's rocks, and it was not uncommon to see him running through ditches and hedge-rows flushing pheasants for his training staff during pheasant season last fall.

Sunday night Bev took a sleeping pill and got his usual full night's sleep, midnight to 5:00 a.m. and shortly after 6:00 o'clock Monday morning both groups were at the Corner Store ready for the take-off. The claim that the Banks crew were blind folded on the way out so they would not have to see the long haul ahead, was denied by trainer Wellman. "As a matter of fact we were checking the road all the way for the best walking areas," he said.

At the 6:24 a.m. take-off Gorbous's first complaint was registered when all four of the Banks crew set off, instead of Bev alone.

Armed with a breast pocket radio, golf balls and clubs and two quarts of Fletcher's Dairy chocolate milk, (delivered minutes before starting time) the marathoners faced a cool 12 mile an hour south wind an ideal overcast sky for the first brisk half of the trek. At 7:30 a short break came at the Glen Graham farm where they were offered a cup of coffee. Further along, Neil Giles dog followed them for a half mile, a few rabbits came to investigate and from the motoring public came offers of rides.

Six miles out a full breakfast

stop was made which consisted of a shallow bowl of hot soup. A change of socks was made and liniment and powder (donated by Mitchell's Pharmacy) was applied, and amidst the taunting jeers of the challengers, they charged into the final pull. "This is completely illegal," said Gorbous, "Banks is being held up by those others — the only one allowed to put a hand on him is the doctor, when he collapses." When asked for his views Boyd McKay claimed, "There's dissonance creeping into that outfit, and besides Bev will weaken cause he can't cut through the wind like the other three."

Around the Dean farm the overlanders began to stagger a trifle but either they got second wind or sight of the Vulcan elevators because they straightened out and at 10:24 their destination was reached, in fact surpassed by three blocks as the parade hit the main intersection of town before breaking up.

Following saliva tests by Dr. Tompkins who gave physicals before the ordeal, Banks was sent for five laps around the ball diamond to cool out while his partners answered questions and had interviews with anyone who would talk to them.

Asked if his legs were tired, Wellman claimed "Didn't feel a thing," which either meant he was not affected by the 12 miles or that his legs were paralyzed as a result.

In the Gorbous camp the air was alive with mutterings of disqualification and court action but they

appeared sure of the outcome. "This is an open and shut case," they claimed, "We've got the pictures of the four of them together instead of just one, and that's all we need."

Failing legal action it was rumoured the whole dispute be settled by a gang flag-pole-sitting contest.

## AGRICULTURAL SERVICE BOARD NOTICE

Section 4 of the Agricultural Pests Act states that every person who owns, occupies or controls any land shall take active measures to prevent the establishment of pests and shall take active measures to destroy all pests upon the land.

Land means lands owned, occupied or controlled by a person and where a road, road allowance, highway, or body of water is contiguous to such land, the land up to the centre line of said road or the low water mark of said stream or body of water.

At all clinics, Polio Vaccination will be given to all persons wishing it.

Re: Adult Polio Booster Injections:— All adults who have completed the series of three polio injections prior to December 1957 may receive their first booster at any of our regular Baby & Pre-School clinics.

These well-baby clinics are held for the purpose of weighing and measuring infants and toddlers, and discussing any problems with parents regarding feeding, training and general care. Your child should be immunized at the following times: Starting at three months of age, a series of four doses, three at monthly intervals and the fourth, six months later, of the combined vaccine containing diphtheria, whooping cough, tetanus and polio (D.P.T. Polio). A booster dose of the above vaccine should be given at three years of age. A further booster, Diphtheria, Tetanus and Polio (D.T. Polio) should be given prior to school entrance.

Smallpox vaccination should be started any time after three months of age and before the child is one year old with revaccination taking place every fifth year thereafter.

There is no charge at these clinics which are a service of the Foothills Health Unit.

## Home And School Officers Installed

Mrs. M. H. Ward conducted the installation of officers at the annual meeting of the Arrowwood Home and School Association and are pictured above as follows:

Back row (left to right)— Mrs. Leona Walsh, publicity convener; Mrs. Janet Oakes, resolutions committee; Mrs. Laqueeda Norton, parent education; Mrs. Marie Culp, program convener; Pete Brown, secretary-treasurer; Chester Arme, president. Front row (left to right)— Mrs. Grace Williams, school education; Mrs. Cordella House, community influences; Mrs. Lorraine Pabst, membership committee.

Due to the illness of the president, Les Brown, the meeting was chaired by Mrs. Arme, vice-president. Mrs. Myrtle Williams presented six Grade 12 graduates with photograph albums on behalf of the Home and School.

Seven high school students are being sponsored at the play ground leadership training course at Red Deer. The secretary was asked to write to the County expressing thanks for the repairs made to the ball ground back stops, etc. Labor was done by local people.

In September a past-president's pin will be presented to the retiring president, Les Brown, along with the association's sincere appreciation for the excellent way he discharged the duties of president during 1960-61.

Plans were made to enter a float in the Arrowwood Annual Sports Day parade, June 2.

## Lomond News

Master Terry Chase was a week-end visitor at the Bobbie Nimz home in Vulcan.

Carl Susinski is visiting in Lomond after spending the winter months in Edmonton.

Crops in the Lomond district are suffering from lack of rain and now with the grasshoppers. With-out a general two or three day rain the situation here looks very grave indeed.

The St. Johns Anglican Guild are holding their annual Strawberry Tea, Bake Table and Bazaar in the Lomond Community Hall kitchen on Saturday afternoon, June 17. Anyone wishing to help or donate to same please contact one of the Guild members.

Lion Hirst Goldthorpe and Lion Len Chase and wife Jean attended the Zone Social, District 37C, sponsored by the Norbridge Lions Club in Lethbridge on Saturday, June 3.

Friends will be sorry to learn that Mrs. C. A. McAllister, now of Medicine Hat, had the misfortune to fall last week and break her hip. Her son, Andrew McAllister visited there on Thursday of last week. All extend their best wishes to her for a speedy recovery.

Mrs. Norma Magnuson and little daughter left last week on a trip to Saskatchewan with her parents.

Seven Boy Scouts from A Troop went on a seven mile hike on Saturday, camping out overnight and returned home on Sunday. They will receive their 1st class Scout badges at the Camporee this coming weekend.

Mr. and Mrs. Fred Maronda motored to Cardston on Monday. They were accompanied by Mrs. Crystal Payne, the latter's mother who had spent the past three weeks visiting at their home.

Mr. and Mrs. Gilbert Honess and family were visitors in Lethbridge on Saturday of last week.

Mr. and Mrs. Fred Walker were Lethbridge visitors on Saturday.

Mr. and Mrs. Johnnie Gray and son Gordon, accompanied by Leslie Armstrong visited friends in Coleman and Bellevue on Sunday.

Harry Hammer was a visitor in Lethbridge on Saturday.

The local Cub Troop, their leaders and parents attended the Cub Rally at Little Bow Park on Sunday.

Mr. and Mrs. Allan Nielson of Edmonton and Mrs. Inga Harms were overnight visitors at the home of Mr. and Mrs. Axel Nielson.

Mr. and Mrs. LeRoy Hostetler and family have moved to Stavely where the former is employed.

#### REGAL BASEBALL TEAM

The Lomond Regals Baseball Team played Brooks at Lomond on Sunday, June 4, winning both games. They are putting forth great effort this year and deserve a lot of credit.

The team won both games when Rolling Hills played here two weeks ago. There are a lot of young chaps on the team for the first time this year and they have all the signs of becoming very good players.

The year the team is playing in what is known as the 36 League and the remainder of the schedule is as follows: All Sunday double

header games: June 4, Enchant at Vauxhall; June 11, Lomond at Rolling Hills and Brooks at Enchant; June 18, Rolling Hills at Vauxhall and Lomond at Brooks; June 25, Enchant at Brooks and Vauxhall at Rolling Hills; July 2, Vauxhall at Lomond and Rolling Hills at Enchant; July 9, Rolling Hills at Brooks and Enchant at Lomond; July 16, Brooks at Vauxhall and Lomond at Enchant.

The boys will put forth even greater effort if the local fans will just get behind them and support them. Lomond needs sports in the worst way, but without the support and encouragement of the local people, not too much can be expected.

#### COMMUNITY CLUB

The regular meeting of the Lomond Community Club was held at the home of Mrs. Marion Root on Thursday evening, June 1. Fifteen members answered the roll call and there were four visitors present.

Plans were made to enter a float in the Sports Day Parade which will be held here on July 4. All members are to help with the float if at all possible.

The nickel draw was held and won by Mrs. Evelyn Elliott. A very interesting contest was held. Winner was Mrs. Violet Huff and the consolation prize went to Mrs. Esther Koch.

The next meeting will be held Thursday afternoon, July 6, at the home of Mrs. Paul Ost, Sr.

#### BRIDAL SHOWER

A very miscellaneous bridal shower was held at the Lomond Community Hall on Saturday afternoon, June 3, honoring a recent bride, Mrs. Allan Nielson.

The hall and tables were nicely decorated for the occasion by members of the Lomond Community Club and the Good Will Service Club, the sponsoring groups. A few games of bingo were played and some amusing contests were held. The guest of honor Mrs. Nielson was then presented with many gaily wrapped gifts by the president of the Community Club, Mrs. Marion Root; she also extended the best wishes of all for a long and happy married life to which Vi very fittingly responded.

She was assisted in unwrapping the gifts by the groom's mother and sister, Mrs. Axel Nielson and Inga. A delicious lunch was served to end a very pleasant afternoon.

#### MAJORVILLE

##### ARRIVED FROM ENGLAND

Mrs. Mae Cliefe, sister of Alf and George Heather of Milo, arrived by jet plane on June 1, from London, England. While very small children their father died, in England leaving three girls and three boys who were all put in orphanages.

The boys when 14 years of age were sent to eastern Canada to work on farms. Later Alf and George came West and settled in the Majorville district around 1911, where they have lived since. Stanley Heather farmed for a while where the present farm of Gilbert Vooyie is located later moving to Camrose.

Their mother (now deceased) joined them later in Canada bring-

ing the baby girl now Mrs. Dolly Kele of Vancouver.

Now for the first time in 60 years the family meets again. One sister in England being unable to attend due to ill health.

Mr. and Mrs. Alf Heather are driving Mrs. Cliefe to Vancouver from where she'll return in time for the Calgary Stampede.

During the war years Mrs. Cliefe welcomed several of the Canadian service boys to her home in England. Among them her nephews, Hap and Ernie Heather, also Ross, Bertrand, Lawrence Smith and Bill Watt. She is jolly well anxious to meet these chaps and their families while here.

Mrs. Cliefe is a young chipper little lady of 72 years and is looking forward to seeing the mountain and many other things she's heard about Canada, including the stampede as she says she'll try anything once.

The community wish her a very hearty welcome and that her visit is pleasant one also to wish the "Heathers" a very happy reunion.

## 4-H Club Notes

### Mossleigh 4-H Beef Club—

The Mossleigh 4-H Beef Club held their final meeting on June 1, at the home of Max Christie. All the members were present, with the leaders.

John Campbell and Jim Samardien gave a demonstration on "How to prepare a show beef and where the animal should be clipped." Judging competitions were also held with C. Roth as judge. A picnic was planned for the second Sunday in July when the presentation will be made.

Lunch was served by Max Christie and David Wark.

### Lomond 4-H Calf Club—

The Lomond 4-H Calf Club members were guests at the Berrywater 4-H Calf Club picnic at Milo on Saturday. Those attending were Mrs. Ethel Root and girls, Lois and Glenda, Sandra Magnuson, Mr. and Mrs. Gordon Lucas and Sheila, Charlean, Dorothy, Wendy, Terry, Frank, Carol, Iona and Phil Rugles and Terry Teasdale.

The Lomond club took the ball tournament winning over the Berrywater, Vulcan West and Arrowwood teams. Races were also enjoyed. A good time was had by all who attended. Congratulations to the Berrywater 4-H Calf Club on a wonderful sports day.

### Vulcan West-Ensign 4-H Calf Club

The Vulcan West-Ensign 4-H Club held their June 1st meeting at the Bill Lucas farm on Thursday evening.

A demonstration on "How to clip, wash and groom a calf for show," was given by Earl Mote.

A meeting then followed with some final plans being made for the achievement day on June 17, in Vulcan. Also some discussion on the float to be entered in the Vulcan and Champion parades. This was left to an appointed committee to do decorating and enter the float.

Lunch concluded the evening with thanks to the Lucas family for donating pop, coffee and long johns for all.

Many of the 4-H members attended the 4-H Sports Day at Lake McGregor park, sponsored by the Berrywater 4-H Club. All had a very enjoyable day playing ball, swimming, racing and picnicking.
